September 6th - September 9th

## We had an awesome first week!

Hello! Welcome to our Pre-K 2 Class!!! Our first week of school was a success! We had a very busy week playing and getting to know each other. We are learning new songs and how to play with our friends in centers.

The kiddos had a great time building tall towers with our blocks, exploring in our sensory table, cooking in the kitchen and making different shapes on our lightboards. The kiddos did an amazing job coloring our Pete the Cat Sneakers for our class bulletin board and free painting with watercolors.

This week we read Pete the Cat Rocking in My School Shoes, Maisy goes to School, Dancing Dino's Go to School and Share Big Bear. We also had a blast with Miss Carly, who came by this week from the Grand Island library to read and sing with us.

**Time**  
*spent* **PLAYING**  
*with* **CHILDREN**  
*is never wasted*
