Week of November 28th to December 2nd

What We're Learning

News From the Nest

As we now entered into the month of December, our theme this week at school was winter. All week long we talked about winter weather, the changes we will see outside, and fun things we can do once it snows (again).

During circle time we read the stories, Jack and Jill and Big Dog Bill, Best in Snow, and Snow Day!

Some of our fine motor crafts included making winter trees, covering our letter of the week in rainbow dots, and Christmas lights for our bulletin board in the hallway.

On Monday we danced and sang along to so many fun songs with Miss Katie. During centers on Wednesday, Miss Ilia and Charlotte played with us in the sensory bin full of beans. At the end of the day on Thursday, Miss Fran came in and did a Christmas lesson with us. To end our week, we got our groove on with Miss Kayla!

We had a special visitor join us this week in our classroom. His name is Popcorn, the Elf on the Shelf. The kiddos are so excited to see him move about our room each day.

Next week we will be talking about animals in winter. We will also be writing letters to Santa. We will leave our letters out for Popcorn to take back to the North Pole with him. Our letter of the week will be "E".

Reminders

As it gets colder, please remember to label ALL coats, hats, gloves, and boots as you are sending them in. Several students have items that look very similar to each other, so to avoid all confusion, it is easiest if everything is labeled.
