Pre-K 4 Awesome News!

This Week

We had an awesome first week of school! During circle time we had fun learning all of Pete the Cat's Groovey Rules! We learned to:

- 1) Keep our eyes on the teacher.
- 2) Have a calm body.
- 3) Have listening ears.
- 4) Have walking feet.
- 5) Keep our hands to ourselves.

During story time we listened to many stories about being a Super Friend, selecting solutions when we get upset, and how to calm our bodies when we are angry/upset.

This week during our craft time we designed rocking school shoes, painted a school bus, and drew a self-portrait!

Throuhgout the week we had fun playing in all our centers. We had the chance to play in the water table, build with blocks, make awesome Mr. Potato Heads, and cook some delicious food in the kitchen. The best part of the day was getting to go outside and explore the playground!

Looking Ahead
