

Pre-K Awesome News!

December 18th-22nd

This Week

We had quite the week learning about the letter 'Q'. Throughout the week we practiced making the 'Q' sound by reading My 'q' Sound Box, sorting pictures from our own letter box, singing along to our 'Q' poem and watching the Sesame Street Letter 'Q' Podcast!

This week we learned more about Christmas time. Throughout the week we read I Want a Hippopotamus For Christmas, How The Grinch Stole Christmas, and The Polar Express. During our craft time we had fun making our own Santa Grinch and Santa Hippo. After we read The Polar Express, we discovered that Evan Snow had taken all of our jingle bells and replaced them with bells from Santa's sleigh. We had fun using beads to decorate the pipe cleaner that the bell hung from as we sang along to songs from the Polar Express movie!

Throughout the week we had fun playing in our kitchen center making cookies, decorating the Christmas tree, building with our present blocks, reading books in the library, playing with the gingerbread house, and taking our best shots at candy cane golf.

On Friday we had a special visitor all the way from the North Pole...a magic Elf! She brought with her special awards for each of the kids, a Santa hat and candy cane all the way from Santa's work shop!

Merry Christmas & Happy New Year!

Looking Ahead

December 25th-
January 1st
Christmas Break
NO SCHOOL

January 15th
MLK Jr. Day
NO SCHOOL

Next Week

Next week we will be learning about winter and snow.
