

Circle Time

During circle time this week, we read, Humpty Dumpty, Nursery Rhymes, Incy Wincy Spider, Hands Are Not For Hitting, and Feet Are Not For Kicking. This month we are working on the diamond shape and the color yellow.

Centers

The kiddos had fun making crazy teeth in our Play-Doh center this week. In our magnet center we learned how to put all the different shape magnets together to make a ball. During our dinosaur center we stomped around dancing and singing to our, "We Are the Dinosaurs Song".

Specials

We loved having Charlotte come by to play in our centers and read to us this week. We also did a great job dancing and tumbling with Miss Kayla in Acro.

Crafts

During craft time we made Humpty Dumpty. First, we glued on all our red bricks to our wall, then we glued Humpty to the wall. Next, we added his face, arms and legs. We finished by gluing on Humpty's hat. We also made hand puppet spiders.
