Week of September 12th to September 16th

What We're Learning

News From the Nest

This week at school we continued learning all about the rules and routines of our classroom. We have been working hard at walking in lines, staying in our spots during circle, taking turns, and playing nicely together.

Each morning at school we practice saying good morning to our friends to help us learn each other's names. Next week we will introduce "Classroom Bingo" to help us keep learning our names!

On Monday, Miss Katie came in for music class. We had so much fun singing and dancing with her! During centers on Wednesday, Miss Ilia came in with Charlotte, a therapy dog from the SPCA. Charlotte really loved playing in the blocks with everyone. To end our week, Miss Kayla, from Grand Island Dance came in for some gross motor fun. She taught us how to log roll, do somersaults, and showed us some super cool dance moves.

Next week we will be working on using our glue sticks and glue bottles to do some fun crafts!
