

Hoots & Hollers

Week of September 26th to September 30th

What We're Learning

News From the Nest

With one month of school officially under our belts, we are settling into our classroom so nicely! Everyone is doing such a great job during circle, centers, and all throughout the day!

This week at school we added calendar to our circle time. We learned new songs, including, "The Days of the Week", "The Months of the Year", and "Counting from 1-10". We also began singing a new ABC song as well as the song, "Rainbow Colors" (one of Miss Karolyn and Miss Macie's favorites!).

During circle time we talked about what makes us all special/unique. We discussed how different each of our names are, what we all look like (citing both the similarities and differences), and what our interests are. As we were talking about these things, we also noted that even though we are all individuals and have some differences, everyone is beautiful and special in their own way! And even though we are different, we can still get along and respect each other.

Some of our crafts this week included making a flower that showed us all the letters in our name, spelling out our names with bingo dabbers, making turtles, and a special craft for our October bulletin board coming up next week!

On Monday, we met Miss Fran, our social skills teacher. She read us a story about Tucker the turtle. In this story, he showed us that it is ok to get upset or angry. He gave us some tools on how to react and work through these emotions whenever we feel this way in both class and at home. We will keep this book out in the calming corner of the classroom for whenever a student needs a reminder.

Next week we will begin learning about fall, apples, and the fall/changing weather.

Upcoming Events

Monday, October 10th
Columbus Day, NO SCHOOL

Tuesday, October 11th
Fire Truck Visit (9:30 am to 10:30 am)

Monday, October 17th
October Book Orders Due

Wednesday, October 19th
Kelkenberg Farm Field Trip

Reminders

With the weather beginning to cool off, please remember to send in a light jacket/sweatshirt with your child as we will still be trying to get outside as much as possible.
