# Mr. Ed's Awesome News!

## This Week

We had an awesome week at school. This week we began learning about letters and numbers. During circle time we read Chicka Chicka Boom Boom and Chicka Chicka 123. After we read the stories, we decorated our apple and coconut trees with the letters and numbers and even listened to the fun song that went with each story.

This week we continued to be great Super Friends! During Social Skills class, Miss Fran taught us how to select different solutions to solve problems during the day. We read Suri Spider Selects a Solution to learn all the solutions that you can use throughout the day to solve problems.

### Suri Spider Solutions

- Wait and Take Turns
- Ask for Help
- Play Together
- Ask Nicely
- Ignore
- Get a Teacher
- Say "Please Stop"
- Share and Trade

Throughout the week we learned new counting songs, played outside, worked on putting puzzles together, built in the block center, and cooked tasty meals in the kitchen!
