

Pre-K Awesome News!

December 4th-8th

This Week

We had a great week learning all about the letter 'G'. Throughout the week we practiced making both the soft and hard 'G' sound. During circle time we read My 'g' Sound Box, watched our Sesame Street G Podcast, sang along to our 'G' poem and explored 'G' on Starfall.com.

This week we learned all about the gingerbread man. We read many versions of the stories and compared the characters and sequence of events that happened in each story. Throughout the week we also read Gary the Farting Gingerbread Man, The Ninjabread Man, and A Cookie For Santa. On Thursday, we had a special delivery dropped off straight from the North Pole...cookies from Mrs. Claus's bakery!!! We had fun decorating the cookies and gingerbread houses at our gingerbread party on Friday.

On Thursday, Miss Bonnie came in to teach us about a famous Dutch painter, Piet Mondrian. Mondrian used primary colors (red, yellow and blue) to make paintings using squares and rectangles. He then added black lines to accent and design each painting. We pretended to be Mondrian as we glued on different size red, yellow and blue squares and practiced making horizontal and vertical lines with black paint!

On Friday, we had a special field trip to Kelly's Country Store to get candy and visit with Santa! We had fun getting to pick our own candy to fill up our bags and tell Santa what we want for Christmas.

Looking Ahead

December 22nd
Pajama Day

December
25th-January
1st

Christmas
Break
NO SCHOOL

Next Week

Next week we will be learning about different holidays around the world.

Letter of the Week
Oo
