Pre-K Awesome News!

This Week

We had a marvelous week learning about the letter 'M'. This week we read My 'M' Sound Box, watched the Sesame Street Letter 'M' Podcast, sang along to our 'M' poem, and sorted pictures from our own letter 'M' box. We also learned about the number 11.

Throughout the week we learned about several different community helpers. We learned about being a nurse, a police officer, and a chef! During our Social Skills class, Miss Fran came in to teach us how to be a baker and we had the chance to make cannoli dip to have with our lunch! During circle time we read Pizza Pete and I am a Pizza. After we read the stories, we were lucky enough to have our own pizza party! Everyone had the chance to make their own English muffin pizza. Along with our pizzas we had spaghetti and meatballs, bread with butter and our tasty dessert! It was fun getting messy making our own lunch!

During our craft time this week we made airplanes, trains, cars, and towns. Throughout the week during center time, we worked together in the vet center, bagged groceries at the store, built train tracks, and created our own castles and houses in the blocks!

During our gross motor time we had fun moving along to songs about transportation. We loved pretending we were flying planes and driving cars around the classroom!
