Week of September 6<sup>th</sup> to September 9<sup>th</sup>

## What We're Learning

## News From the Nest

We have officially completed our first week of preschool! It has been a busy and exciting week! As a class, we have been learning so many new things about our classroom. Each day we learned new songs, read stories about being at school, played in fun centers, made new friends, and went on the playground. There have been so many things to explore, we can't wait to continue doing so next week!

For the first month or so of school we will be focusing on rules and routines in our classroom, getting to know our friends, and talking about what makes each of us special and unique.

We are very proud of the progress we have been seeing so far with each kiddo!

Book orders have gone home this week. If you would like to place an order, you may do so either online, or by sending in your order form with a check. All orders are due by September 23<sup>rd</sup>.
