

# Hoots & Hollers

Week of February 21<sup>st</sup> to February 25<sup>th</sup>

## What We're Learning

## News From the Nest

This week at school we continued learning all about the ocean. During our fine motor craft time we made sparkly seahorses, green toads, and rainbow fish.

On Wednesday this week, we took a break from the ocean to learn about our teeth. Miss Chelsea, a dental hygienist, came in to read us a story, show us how to brush our teeth, and teach us all about sugar bugs. Charlotte was here during this presentation, so she also taught us about how to care for dog's teeth. Ask your child what flavor Charlotte's toothpaste is. We all laughed when we found out!

In our centers this week we introduced a new game to the class, Perfection. When we first began playing, we matched the shapes to the correct spot that they went in. After a couple of practice rounds, we turned on the timer and tried to race the clock! It was lots of fun!

Next week we will be celebrating Dr. Seuss! Each day of the week we will be reading a story and making a special craft to go along with our theme.

For show and tell next week, students may bring in any item they want!

## Upcoming Events

**February 25<sup>th</sup>**  
**Staff Development, NO AFTER SCHOOL**

**February 28<sup>th</sup> to March 4<sup>th</sup>**  
**Dr. Seuss Week**

## Reminders

Please have your child's full snow gear (hats, gloves, heavy jackets, boots, and snow pants) every Tuesday and Friday going forward. We would like to try and get outside these two days during the week!

Please remember to send your child in with extra masks and a water bottle daily!
