

# Hoots & Hollers

Week of January 23<sup>rd</sup> to January 27<sup>th</sup>

## What We're Learning

### News From the Nest

This week at school we changed up gears, got away from the snow, and heated things up in our classroom! We learned all about the tropical temperatures, sunny weather, birds, flowers, and things we see in Hawaii. It was so much fun pretending to be somewhere it is warm out amidst the frigid temperatures and all of the snow we have right now.

On Monday, Miss Katie came into our classroom and sang a fun new song about arctic animals. We also got to use rhythm sticks this week to tap out the syllables in each of our names.

On Wednesday, Miss Fran made jell-o with our class and played a fun volcano game with us! The next day she came back to create a special volcano snack using the jell-o we had made the day before.

To end our special week, on Friday, we celebrated with Mr. Ed's and Miss Tracy's friends. We learned how to hula dance, had a special Hawaiian snack, and watched a volcano erupt!

Next week we will be starting a two-week unit on ocean animals in anticipation of our upcoming field trip to the aquarium. Our letter of the week will be "K". When it is your child's show and tell day, please have them bring in something that begins with this letter.

### Upcoming Events

February 1<sup>st</sup>

Registration Forms for 2023-2024 Due

(If you need part time and specific days during the week, please return your forms ASAP)

Tuesday, February 14<sup>th</sup>

Valentine's Day Party  
(1:45pm to 2:45pm)

Friday, February 17<sup>th</sup>

Aquarium Field Trip- NO AFTER SCHOOL

Monday, February 20<sup>th</sup>

Presidents' Day- NO SCHOOL

### Reminders

As it gets colder, please remember to label ALL coats, hats, gloves, and boots as you are sending them in. Several students have items that look very similar to each other, so to avoid all confusion, it is easiest if everything is labeled.
